

## П/класс Rhizocephala

Сем. Thompsoniidae

### ***Thylacoplethus isaevae*** Rybakov & Shukalyuk, 2004

Первописание: Rybakov & Shukalyuk. 2004. *Thylacoplethus isaevae* sp. nov., a new colonial rhizocephalan (Crustacea: Rhizocephala: Thompsoniidae) parasitic on a north-west Pacific hermit crab *Pagurus trigonocheirus*. Journal of the Marine Biological Association of the United Kingdom 84(5): 1009-1017

**ГОЛОТИП:** MIMB 24463, 1 экз., (4% формалин), 27 cruise R/V «Academic Oparin», Sea of Okhotsk, 46°19,8 N, 143°51,2 E, st. 5, sigsby trawl, pebble and sited sand, 180-200 m, 27.08.2001

Сем. Peltogastridae

### ***Lernaeodiscus rybakovi*** Korn, Golubinskaya, Rees, Glenner & Høeg, 2020

Первописание: Korn, O. M., D. D. Golubinskaya, D. J. Rees, H. Glenner & J. T. Høeg. (2020). Phylogenetic position, complete larval development and larval sexual dimorphism in a rhizocephalan barnacle, *Lernaeodiscus rybakovi* sp. nov. (Cirripedia: Rhizocephala: Peltogastridae), parasitizing the crab *Pachycheles stevensii* Stimpson, 1858 (Decapoda: Anomura: Porcellanidae). Zoologischer Anzeiger. 287: 178-197.

**ГОЛОТИП:** MIMB 39151, 1 экз., (96% этанол), Sea of Japan, Peter the Great Bay, Vostok Bay, by SCUBA diving, 3 m, 01.07.2017

### ***Lernaeodiscus kasyanovi*** Korn, Golubinskaya, Rees, Glenner & Høeg, 2021

Первописание: Korn, Olga M., Darya D. Golubinskaya, David Rees, Henrik Glenner & Jens T. Høeg. (2021). The second rhizocephalan species, *Lernaeodiscus kasyanovi* sp. nov. (Cirripedia: Rhizocephala: Peltogastridae), parasitizing the porcellanid crab *Pachycheles stevensii* Stimpson, 1858 (Decapoda: Anomura: Porcellanidae), from Russian waters of the Sea of Japan. Marine Biodiversity. 51(79).

**ГОЛОТИП:** MIMB 40953, 1 экз., (96% этанол), Sea of Japan, Peter the Great Bay, Amursky Bay, by SCUBA diving, 1,5 m, sand, 00.08.2020

Примечание: хозяин *Pachycheles stevensii* Stimpson, 1858, самка

**ПАРАТИП:** MIMB 40954, 1 экз., (96% этанол), Sea of Japan, Peter the Great Bay, Amursky Bay, by SCUBA diving, 1,5 m, sand, 00.12.2020

Примечание: хозяин *Pachycheles stevensii* Stimpson, 1858, самка
